72.14.84.71	A hub bub of people. The best shuttle system no cars, easy access. putting ones ski boots on at home and riding the shuttle to ski is the best. Should do a round trip fare to Littleton for \$10 including a stop in Bethlehem.
72.14.84.71	If it was not proposed so big (# of units) and if was not at the base of the forest cottages.
72.14.84.71	Easy traffic flow, no congestion.
72.14.84.71	I will leave that to your due diligence.
72.14.84.71	movie theatre, skating rink.
72.14.84.71	Just that do a loop by the stables, bring in old houses for retail, push behind. Do regular retail at the ski area, speciality retail ini teh Bretton Arms, stables loop.
72.14.84.71	We don't want to see a Village come to BW, we like it as is.
72.14.84.71	outside activities.
72.14.84.71	Thank you for asking our opinion.
72.14.84.71	Better restaurants and retail shops.
72.14.84.71	design influenced by local architectural styles and

	enviormental concerns.
72.14.84.71	Include a sculpture of the old man of the mountain! Pay tribute to the memory.
72.14.84.71	I don't think you could "build" a village that is intersting. These venues envole based on the interests of the local patrons. Bethlehem is nice:it has a movie theatre and coffee shops and antiques and art & craft. Franocina is nice: it has a funky general store and a bakery and clothing store and a sports shop. The Mount Washington Hotel is nice : it has restuarants and bar. So what do you expect to do differently in an artifical "Village Common"?
72.14.84.71	Types of activites in new Eco. Friendly village...band concerts, outdoor skating ring.
72.14.84.71	Cabriolet people mover from remote parking over village to ski slopes like it is at mount tremblant. Indoor water park.
72.14.84.71	Atmosphere appeal to young families. Good restaurants - open LATE!!!! Evening entertainment.
72.14.84.71	Equestrian center is set up for tourist. How wabout lessons they say they offer lessons but our kids and I have gone about 8 times and its always a brief trail ride. They shave time off. NOT IMPRESSED!
72.14.84.71	Diverse Group of Stores, restaurants, market etc.
72.14.84.71	Ice ring, speciality shops.
72.14.84.71	Important to hide/screen parking areas. Keep building heights below 3 stories. Only exception Steeple in the marketplace. BTW, steeple must have an attractive clock face.
72.14.84.71	Street performers would be fun.
72.14.84.71	A gondola, nice pedestrian walkways shops, to browse.
72.14.84.71	Hours of operation. Local (non-chain) operations.
72.14.84.71	VERY walkable. Gathering space. Mixed used and residential reatil and arts. Open cafes in the summer. Walking/bike trails throughout the resort.
72.14.84.71	Nothing tacky, all up-scale, high quality, no junk food, no fast food, places to sit and meet with friends, relax with coffee in the sun.
72.14.84.71	Music - Jazz, Theatrics, aucostic. Theme - Bonfire, Traditional communités. Coffe shop, speciality shop (wine and cheese), boutique stores, t-shirt, sweatshirt logo store.
72.14.84.71	The Village Common should be in keeping with the area/NE theme. It should be a pedestrian only area, with restarants & quaint shops. It should be pristine.
72.14.84.71	Several gazebos for late afternoon or evening band concerts.
72.14.84.71	The ability to stroll along brick walkways with shopping, outdoor dining, attractive signage, lamp-posts, NE architecture. Limited traffic.
72.14.84.71	Ice sculpters in the winter.
72.14.84.71	A sense of community. A place to relax with friends after daily activites. A good example is Mount Tremblanc.
72.14.84.71	Outdoor fire pit can be gas, enjoyed one in Brechenridge, CO

	with seating all around it. Gazebo with music in warm months. Outdoor cafe tables. Traditional looking gas lantern style lightposts.
72.14.84.71	Central Square; seasonal shops (gear); post office with coffee shop (no starbucks); deli for sandwiches; clothing.
72.14.84.71	Functional, uncungested layout. Affordable activites. There is way too much focus on golf in my opinion. BW was built primarily as a winter resort. The golf courses are beautiful, but I do not come up there to golf. If the Alpine CLub was separate from the Country club, we would have joined. We are not going to pay for something we will not use.
72.14.84.71	Annual events, special events, like 2007 independence day event.
72.14.84.71	Green space with lots of seating and walkways. Somehow create a sense of community.
72.14.84.71	The building heights is a big concern, No obstruction from my condo. Brick walkways, window boxes, old fashioned lamp posts, coffee shop, book store, gourmet italian restaurant, farmers market on weekend with local products. We need a lake at resort.
72.14.84.71	A white chapel with steeple, open "common" space, walkable scale.
72.14.84.71	A walking village, parking area close to the village.
72.14.84.71	Music outdoors people bring blankets and picnics sit on the mountain side.
72.14.84.71	Gas lights, cobblestone paths, color scheme of buildings, layout, landscaping.
72.14.84.71	Night spots for teens.
72.14.84.71	Quaint facades, activitites for children, coffee shop, a lake with conoes and a beach.
72.14.84.71	Max 2 stories, outside seating, walking only, small eating and shopping area. Contuine to attract nature lovers.
72.14.84.71	Nightlife, bring the clubs with dancing. The ability to have a totally pedestrian area filled with fun events, music, color, squirting fountains for the kids. Music we love Burlington, VT for its pedestrian area. Promenades at the water front (ours will be Lake Caroline.) People like to be able to meander, enjoy a cone, people watch (need seating). P.S. Can we PLEASE try to not overprice the vistors.
72.14.84.71	Lunch restaurants, a playground, ice cream.
72.14.84.71	Small green for concerts and activities, ice skating ring.
72.14.84.71	Outdoor activities and outdoor dining. Tubing with rope tow. Lake Carolyn with kayaking and canoeing. Most important it needs to be built with open air spaces without parking and traffic problems.
72.14.84.71	We don't need/want a Disneyland, NH!!! Don't "price out" the locals! The "new" ski help colors/jackets are awful!!! They blend in with everyone else.
72.14.84.71	Ice skating.
72.14.84.71	Sidewalks, street lamps, a place for teenagers to gather.

72.14.84.71	The main features of the village in my story are: Outdoor patios/sidewalk dining Cinema with 1st run movies Gourmet coffee shops Ice cream/sweets shops High end restuarants Pubs/Night clubs/dueling piano bar Boutique and specialty stores (Gazebo, village green, fountains...) Information/concierge help Creative safe access to the common from anywhere on teh resort without driving.
72.14.84.71	Small shops, quaint lighting, seating areas. Variety of restaurants, adequate parking.
72.14.84.71	Quaint stores, cobblestone streets, no chain stores, cafes.
72.14.84.71	a little alpine.
72.14.84.71	pedestrian friendly, minimizing traffic thru the resort.
72.14.84.71	to have apres ski activities for families to enjoy that do not shut down at 7pm.
72.14.84.71	Our favorite ski village is at Mr. Tremblant. Residential-terrific dining-quality retail-entertainment walkable-outdoor activities-a fun year around resort.
72.14.84.71	Traditonal, locally-owned stores and restaurants (not chains, not all owned by the resort). Examples: Drummond's and Tim Bar Alley.
72.14.84.71	I don't actually see any real benefit to developing this project.
72.14.84.71	Outdoor dining with appropiate music.
72.14.84.71	Things to create a sense of community, bandstand with concerts, skating.
72.14.84.71	New England architecture in traditional colors, perhaps with brick walkways and lamp posts. A common area for events with places to sit. Walkways throughout for short walks (perhaps walkway to/around Lake Carolyn). Mix of small shops and restaurants with coffee shop.
72.14.84.71	Summer-A central common with weekly concerts and activities. Winter-Family tubing area or outdoor pool/whirlpools. A place for families to hang out-especially in the evenings.
72.14.84.71	Small shops, mini golf, nature themes waterfalls, true lined streets, antique lamps. Improved quality of foods.
72.14.84.71	Gardens, outside seating, gazebo, store walls, glacier eratics, nature trees, red pines, white birches, balsams.
72.14.84.71	Cobbleston walkways, not black top. Architecture fitting for new england tours. A charming atmosphere similar to colnial look/and rustic apperance of buildings.
72.14.84.71	variety, attractive to children.
72.14.84.71	A destination with a little of everything so one would not have to travel to Littleton or Conway, and accessiable by pedestrian walk ways. My condo is across 302 and it is not easy to walk to the base lodge or the sports center. you have to drive or shuttle. I would like walk or ride bikes without having to dodge large trucks. Maybe a bridge or tunnel would be included in the plans. Just a thought.
72.14.84.71	Summer activites.
72.14.84.71	A variety of year around restaurants, shops, and entertainment.

72.14.84.71	Make it like a village, not a strip mall type.
72.14.84.71	Better service and food at the lodge.
72.14.84.71	Follow the Whistler, BC model but smaller without tall buildings. Nothing too glitzy, not the NH way. We are not, I hope never will, be Aspen.
72.14.84.71	Easy parking, outdoor cafes, outdoor bars, quaint irish restaurant & italian, and chinese.
72.14.84.71	Make it a place to congregate, eat, drink, shop. Make it a destination of its own.
72.14.84.71	Keep traffic moving on peak summer/fall days and winter weekends. Avoid at all costs the way it is in Lincoln and Conway.
72.14.84.71	Common area to meet people, something for young adults. Keep it simple, just keep in mind this is NH not VA.
72.14.84.71	A gazebo with entertainment (music, theater, magican for kids) and tables, benches nearby. Maybe a coffee shop and ice cream parlor so folks can have coffee and dessert outside.
72.14.84.71	A design that blends in with area, accessibility, and affordability.
72.14.84.71	Good food, good shops, outdoor music and other entertainment, excellent design, outdoor places to sit (in the shade), plenty of places for people to hang out. NO CARS, great shuttle service to parking lot and safe walking paths to and from paths, LOTS of greenery, flowers and trees. Night activity, fabulous coffee shop and bakery.
72.14.84.71	Intergrating the Ammonoosuc River into the architecture of the village.
72.14.84.71	Restore the stream that is currently under the ski area parking lot. Put little paths and sitting areas along side it. Design an open area where people can stroll, sit, and occasionally listen to music. The key to any village (as well as any great city) is pedestrians. Promote strolling and sidewalks, etc. Intertwine trails from surrounding areas through Village, Imagine biking or cross country skiing "into town" to get a great meal or meet friends for a drink!
72.14.84.71	Varied hieghts, colors, trees.
72.14.84.71	Have a place you could spend an afternoon eating, shopping, ice skating etc- a place to go to get out of the condo or an alternative to hanging out at the hotel. Need more food choices, we would go out to eat more if tehre was somewhere to go . Don't like the buffet at the hotel, Fabyan's or the pizza place.
72.14.84.71	have a place for teens (not video games) more like a "soda shop"/hot chocolate shop, billiards, ice cream. New England style archictecture. No cars in village - underground parking???
72.14.84.71	variety of live music evenings, i.e. jazz, blueses, pop. Casual dining, seasonal outdoor cafe.
72.14.84.71	good restaurants, art galleries, juried for taste and quality, shops for good, more of a night life.
72.14.84.71	High quality - go look at Cooper Mtn., Aspen lots of great examples for year around mtn. resorts- Not a golf resort, but a mtn. resort with golf.
72.14.84.71	Ice ring, plays, concerts.

72.14.84.71	Low building heights, consistent with N.E. style architecture, pedestrian walkways, gazebo for outdoor concerts, friendly, informal, welcoming atmosphere.
72.14.84.71	fun family events.
72.14.84.71	INDOOR TENNIS AT THE SPORTS CLUB!!!
72.14.84.71	exactly what you have been presenting in your public workshops.
72.14.84.71	This would be great if it weren't at the end of my driveway. I came many years ago to BW for a quiet vacation place for my family, with a healthy exspoure to the outdoors. So please don't allow any of the that get lost in the big skeam of things.
72.14.84.71	Gazebo with entertainment.
72.14.84.71	Selection of stores, quality of stores.
72.14.84.71	think aspen.
72.14.84.71	BW already is.
72.14.84.71	Retail/grocery/theater. Summer fountains with park benches, a small town square with a working clock, and lamp post too. Possibly bike and walking trails. Over to the side of the town center an enclosed playground for children - this must be supervised by the children' care giver - sno swings! Recycle bins in town square. Shade trees. Thanks for your efforts, this soundsl ike fun. Now we will not have to drive to Littleton. One more idea, the shuttle is great from the Mt. Wash hotel to the town houses. If there's going to be a stores a small shuttle (like inside the airport) maybe a good idea so older people can shop till they drop.
72.14.84.71	All year activities to keep interest going, making it affordable for everyone not just the rich. Walking trails - easy. Movie theater.
72.14.84.71	Right now, we're at Waterville Valley and love the attraction of town square but don't like how things are not always open mid-week because of less traffic. You can't have an off-season so that people will come all the time- even mud season.
72.14.84.71	bandstand.
72.14.84.71	Keep it small.
72.14.84.71	Swiss chalet type of village.
72.14.84.71	A town center with outdoor appeal (seating, eating, etc.) and events taking place.
72.14.84.71	Mixing a small town feel with a vacation feel. Also building in health/outdoor activities, etc.
24.218.43.222	Please keep it small and intimate - I don't want crowds at Bretton Woods. We bought our vacation home there 6 years ago because we like how remote and quiet it it. We drive to North Conway if we need to shop and eat at a restaurant.
72.14.84.71	Open, spacious, gazebo.
72.14.84.71	Small shops and cafe with local goods.
72.14.84.71	good design, restuarants and shopping.
72.14.84.71	attractive area for strolling - cafes, bakeries to stop in.
72.14.84.71	Natural design - earth tones.
72.14.84.71	Tradition architecture that blends with landscape, pedestrian

	mall - no car access, sensitivity to light pollution moderately priced restaurants.
72.14.84.71	a cafe tretien type of shops where people would be able to walk, dine and explore the area at the same time.
72.14.84.71	Pedestrian access, regional/alpine architecture, good dining.
72.14.84.71	A village green, fall foliage, picket fences, seasonal shops, top-of-the-line shops, dated boats and canoes, small gage train, iron railings, granite, post office, tavern, toy shop, general store, souvenir shop, NH liquor store, sidewalk bistro, skier statue, lake and river acces blending into the forest, church like hub accentuate village view from Rte. 302, raised fountains, early 20th century signs, lamps, fencing, river rafting hotel to lake carolyn, covered bridge over ammonoosuc, white birch stands.
72.14.84.71	Just keep in a quaint New England Village with some basic shopping and entertainment. Don't destroy the landscape and don't overcrowd the area with buildings. Mt. Washington is known for its views. Also don't out price the middle class consumer, but keep it a classy place to be.
72.14.84.71	More options for dining. Right now, choices are limited and the food is not great-specifically at the ski lodge. The lodge has limited space on busy weekends.
72.14.84.71	architecture, layout and fresh New England Cuisine and gas lamps.
72.92.225.65	Skating rink Sleigh rides Local architecture
72.14.84.71	Quaint shops featuring locally made products and items. Wine and cheese shop a must. Small bookstore is always a plus. Always rememeber, you truly have a jewel with this resort, so rememeber to protect the beauty and lovely ambiance of this special place.
72.14.84.141	a common xmas tree raising ceremony in winter in village center perhaps ice skating should be in the village pedestrian only area - i love strolling the streets of ne villages open farmer's market on weekends with quality vendors and produce (not like bethlehem) some large trees in landscaping to promote feeling of authenticity and history some great food shops - it would be wonderful to walk into a shop and get excited about the food (shaws is not terribly inspirational) bike racks so we can ride our bikes over to shop instead of driving to littleton or conway
72.14.84.71	Upscale pedestrian.

a butterfly which, if you sit
quietly, may alight upon you.

He forgot to mention to say that where you sit helps, too.
