The New England Ski Museum's Bretton Woods Nordic Marathon

Presented by

CNL Lifestyle Company, LLC

Saturday, March 13, 2010

In the tradition of such classic races as the Geschmossel, the longest running citizen's race in New Hampshire, and the Mt. Washington Cup, the Bretton Woods Nordic Center at Omni Mount Washington Resort is inviting all long-distance classic skiers to join them on a new journey to benefit the New England Ski Museum.

Sandwiched between the historic Mount Washington Hotel, Mt. Washington and the Presidential Range, the New England Ski Museum's Bretton Woods Nordic Marathon at Omni Mount Washington Resort is destined to become a North Country winter tradition. This 50-kilometer, classic format, cross-country ski race taps into one of the largest Nordic systems in the northeast. In the tracks of the famed 1982 US National Championships and such legends as Bill Koch and Tim Caldwell, this race is steeped in history and Nordic skiing tradition.

Omni Mount Washington Resort is proud to be a part of this event to benefit the New England Ski Museum.
