

Bretton Woods

Dear Prospective Vendors,

Thank you for your interest in the **Fell Into October! Autumn Festival**. Receiving this letter means you would like to join us at this event as a vendor and we would love to have you!

This event will take place on **Saturday, September 30th and Sunday, October 1st, 2017** and is guaranteed to draw a crowd with its featured 6th Annual Fell Race and Bretton Woods Mountain Bike Fondo events. Bring your passion and your product to help us prove that there is something in the mountains for everyone!

Our goal is for visitors to enjoy a day of great food and libations, physical challenges, excellent entertainment and, of course, the expertise of vendors that know the Northeast best. We're searching for local and regional vendors to gather and show the world what we've got! Whether your specialty is one-of-a-kind artisan works, technical gear for a mountain life lived in style, or delectable treats that can only be described as a "Notch Above" the rest, we're inviting you to show off the very best products and services for our guests so they can take home a little piece of New England for themselves.

There is no cost to participate and plenty of space available. Also on this page, please find a vendor application along with a schedule of events. Simply fill it out and send it back using any of the methods listed therein and we can take it from there!

Thank you so much for your time and consideration. I hope to hear from you soon!

Warmest Regards,
